Dear Families,

It has been another exciting week! Year 3 thoroughly enjoyed their trip to Fishbourne Roman Palace on Monday. They spent time in the museum looking at artefacts and mosaics and exploring the gardens. The children learnt how the remains of the palace were discovered, what it was like for those living there and what happened to the palace. Whilst Year 3 have been historians, Year 5 have been artists. On Tuesday, Year 5 invited their parents in to their outdoor art gallery where they displayed clay faces inspired by the work of David Gosling in our wild area. As part of the learning journey, the children had learnt how to create realistic facial features in pencil and explored ways to make different textures with the clay. I was really impressed with their artwork – well done, Year 5! April is the official month of the military child. At The Federation, we recognise the unique experiences that military children and their families may encounter and wanted to show them the appreciation they deserve by inviting them in for a shared afternoon tea today. We are proud of our Forces children and they enjoy coming together weekly with Mrs Doole to share their experiences. Have a lovely weekend. Warm regards, Mrs Gibbs
